PROFILE

As a fresher I am seeking for a career building opportunity in an organization where I can utilize my skills and knowledge for the growth of the organization. To carve out niche for myself in the business world, where I can provide value to the firm while also honing my abilities and developing my personality to its maximum potential.

EXPERIENCE

Financial Analyst Intern

Valutinum Advisory / Sept 2023- Nov 2023

- Assist in analyzing financial data, including income statements, balance sheets, and cash flow statements.
- Build and maintain financial models using spreadsheet software like Excel. These models might include revenue projections, cost analysis, and investment valuation.
- Assist in the budgeting process by preparing financial forecasts and variance analyses.

Finance Intern

HDFC Bank, Pune / May 2023- July 2023

- Analyze applicant's financial statements, credit reports, and other relevant data to determine the risk associated with granting a personal loan. Use financial ratios and modeling techniques to assess loan viability.
- Process personal loan applications, including collecting and verifying documentation, Assess the financial situation of customers to determine their eligibility for a personal loan.
- Provide customer service to personal loan applicants and borrowers, answering questions, resolving issues, and providing guidance.
